# CHILTERN AND SOUTH BUCKS COMMUNITY SAFETY PARTNERSHIP PLAN

2017-2020

# YEAR 2

Working together for a Safer Chiltern and South Bucks

### Introduction

## Vision

# Working together to make Chiltern and South Bucks a safe place to live, work and visit

Community Safety involves us all. It affects young and old, men and women, minority groups, special interest groups, the business community, the voluntary sector, victims and offenders, in fact everyone who lives, visits or works in the District.

This plan runs from 2017–2020 and sets out the activities of the Chiltern and South Bucks Community Safety Partnership to create two safer districts.

Community Safety describes the work of partnerships to tackle crime, disorder, antisocial behaviour and the fear of crime as well as work connected to community cohesion and the prevention of violent extremism.

It does not include a multitude of work already being undertaken by partnership agencies, town and parish councils, voluntary organisations and others as part of their day-to-day business.

# **Background to the plan**

Crime & Disorder Act 1998

The 1998 Crime and Disorder Act placed a duty on the responsible authorities (the police, police authorities, local authorities, fire and rescue authorities and Primary Care Trusts) to formulate and implement a strategy for the reduction of crime and disorder.

# **Partners**

# The following organisations are members of the Chiltern and South Bucks Community Safety Partnership

- Buckinghamshire County Council including Public Health
- Buckinghamshire Fire and Rescue Service
- Buckinghamshire Youth Offending Service
- Chiltern District Council
- South Bucks District Council
- Chiltern Clinical Commissioning Group
- Paradigm Housing Group

Community Safety Partnership Plan Year 2 2017-2020 v11 YEAR 2

- L&Q Housing Association
- Thames Valley Police
- National Probation Service
- Thames Valley Rehabilitation Service

The Partnership also works closely with the Town and Parish Councils and with many other voluntary organisations including Thames Valley Crimestoppers and Victim Support.

## **Links to other Plans and Strategies**

- Chiltern District Council Key Objectives 2016 2020 we will work towards safe, healthy and cohesive communities
- South Bucks District Council Key Objectives we will work towards safer and healthier local communities
- Countywide Domestic Abuse Strategy and Thames Valley Domestic Abuse Strategy
- Safer Bucks Plan The Buckinghamshire Community Safety Agreement 2017 2020
- Chiltern's Community and Wellbeing Plan 2017-2019
- South Bucks Community and Wellbeing Plan 2017-2019
- Police and Crime Plan 2017-2021
- Joint Sustainable Community Strategy 2016-2026

The CSP is also closely involved with the Chesham Wellbeing Project and promoting Prevention Matters.

### **Achievements**

The Partnership has already made some solid achievements in working together to reduce crime in what is already a low crime area:

- •Improved consultation with local residents through Have Your Say and engaging with Town and Parish Councils and Councillors in identifying neighbourhood priorities on a quarterly basis.
- •Targeted crime reduction campaigns including a focus on vehicle crime, burglary, child sexual exploitation and domestic abuse.
- •Publicity campaigns using a variety of ways to communicate with residents so many will know how to reduce the chance of becoming a victim of crime.
- •All burglary and burglary non-dwelling victims contacted and sent crime reduction advice, a UV pen and SelectaDNA (for burglary victims only).
- Parents evenings to raise awareness of child sexual exploitation.
- •We have worked with a number of community groups to increase activities for young people, with a considerable decrease in ASB in hotspot areas where we have provided diversionary activities.
- •In partnership with Thames Valley Police, Chiltern and South Bucks District Councils has employed a Community Integration Officer to support and assist in diversity and

Community Safety Partnership Plan Year 2 2017-2020 v11 YEAR 2

community relations and report on community tension across both Chiltern and South Bucks.

All crime in Chiltern and South Bucks increased by 11.8% when compared to the previous year (2016-17). (8,649 crimes in 2017-18 and 7,738 crimes in 2016-17)

Up to date information about crime and disorder continues to be available via:

• www.police.uk - National and local crime statistics and policing information.

### **Priorities**

Buckinghamshire Community Safety Partnership and Thames Valley Police produce an annual strategic assessment to highlight the most significant community safety issues from the previous 12 months, together with evidenced up and coming trends likely to affect the Partnership in the following year.

The Partnership has used the Strategic Assessment to identify the following priorities for Chiltern and South Bucks:

- Reduce domestic burglary and theft from vehicles
- Vulnerability and safeguarding (including child exploitation, exploitation of people - modern slavery, forced labour, scams and cyber crime)
- Tackling violence in the community and domestic violence and abuse.
- Improving community resilience
- Tackling fear of crime through effective communication

Following the setting of the priorities, Chiltern and South Bucks CSP developed action plans against each priority to help shape the vision for making Chiltern and South Bucks a safer place to live, work and visit.

# Reduce domestic burglary and theft from vehicles

| Target     | Reduce burglary dwelling offences when compared to 2017-18.  |
|------------|--|
| raiget     | Reduce theft from motor vehicle offences when compared to 2017-18.   |
|            | Burglary dwelling involves any successful or attempt to break-in to a residential property including residential     |
| Definition | sheds and garages.   |
| Definition | Theft from motor vehicles involves anything stolen including catalytic converters, registration plates, parts of the |
|            | vehicle or any property stolen from within it.   |
| Outcomes   | Reduction in burglary, including distraction   |
| Outcomes   | Reduction in theft from vehicles   |

# What is the problem in the Chiltern and South Bucks area?

When comparing the time period 2016-2017 to 2017-18:

# **Chiltern:**

• Theft from motor vehicle offences increased from 238 (2016-17) to 313 in 2017-18.

# **South Bucks:**

• Theft from motor vehicle offences decreased slightly from 500 offences in 2016-17 to 487 offences in 2017-18. However the number of offences for 2015-16 was 387 offences so it is still significantly higher than two years ago.

The way in which burglary offences are recorded changed on the 1<sup>st</sup> April 2017. This means that it is not possible to compare figures this year to the previous one.

Community Safety Partnership Plan Year 2 2017-2020 v11 YEAR 2

# **Improve Community Resilience**

| Target     | Work in partnership to make communities more resilient to rogue traders and scams through supporting each other – particularly those who are vulnerable, the elderly etc. Ensure town and village centre shops are welcoming to all by encouraging the establishment of a Safe Place scheme and setting up dementia friendly communities. |
|------------|---|
| Definition | Community resilience is the sustained ability of a community to utilize available resources (e.g. energy, communication, food, etc.) to respond to, withstand, and recover from adverse situations  |
|            | Street Associations set up and functioning well –residents looking out for each other   |
|            | Increase in participation in local community led planning by finding new ways to involve, consult and engage especially with "hard to reach groups" (e.g. the rurally isolated, minority ethnic communities and young people)  Increase in the number of Neighbourhood Watch schemes  |
| Outcomes   | Increased partnership working with Trading Standards to raise awareness of scams and rogue traders – particularly using street associations.  |
|            | Provide opportunities for older people that enable them to raise issues and concerns which are important to them.   |
|            | Support the development of community cohesion activities across Chiltern, enabling communities to develop   |
|            | respect and understanding of each other reducing the risk of individuals resorting to extremism.  |
|            | Safe Place schemes are used by elderly and vulnerable residents when required.  |
|            | intergenerational projects taking place between young and older residents through Community Cards   |

Community Safety Partnership Plan Year 2 2017-2020 v11 YEAR 2

| ACTION  | LEAD  | UPDATE   | LAST<br>UPDATED | RAG<br>STATUS |
|---|---|--|-----------------|---------------|
| Community Cards- rollout to all Yr 6 pupils.  | Chiltern and South Bucks District Council Community Safety Team/ TVP in partnership with local Primary Schools. | 22 schools across both Districts currently collecting stickers in order to win a trip to Legoland.   | May 2018        |               |

| postponed. However, business resilience          |  |
| information will continue to be made available   |  |
| through the BBF website and further events will  |  |
| be developed                                     |  |

Community Safety Partnership Plan Year 2 2017-2020 v11 YEAR 2

# **Vulnerability and Safeguarding**

| Target     | Safeguarding – including child exploitation, modern slavery, forced labour, fraud, scams and cyber-crime, community integration and Preventing Violent Extremism.   |
|------------|---|
| Definition | Child sexual exploitation is a form of sexual abuse involving coercive control and sexual abuse of anyone under 16 (or under 19 if a Looked After Child). Modern Slavery is defined as the condition in which one person is owned as property by another and is under the owner's control, especially in involuntary servitude. Fraud and identity theft involve anyone who has been scammed / ripped off or conned. Community Cohesion enables people to live in harmony with one another. Preventing Violent Extremism is part of the Government's CONTEST Strategy and the aim is to stop radicalisation, reduce support for terrorism and violent extremism and discourage people from becoming terrorists. |
| Examples   | Providing an environment for young people to enjoy, stay safe, be healthy and make a positive contribution and achieve economic wellbeing, facilitating community participation, engagement and action to develop sustainable communities.  |
| Outcomes   | Increase the opportunities for older people to live healthy and active lives through the provision of information, advice and assistance  Identify communities at risk of deprivation, identify their needs and improve access to services including community safety, education and learning, welfare, and housing assistance.  Assist families and individuals access support services to prevent a crisis intervention   |

# What is the problem in the Chiltern area/South Bucks area?

• We need to improve intelligence flows between the public and the police particularly focusing on child exploitation, extremism, rogue traders and modern slavery concerns.

Community Safety Partnership Plan Year 2 2017-2020 v11 YEAR 2

| Support the Independent Advisory Group (IAG), produce tension monitoring reports and Community Impact Assessments as necessary.   | CDC and SBDC<br>Community<br>Integration Officer                                    |   |          |  |
|---|---|---|----------|--|
| To develop Hotel Watch across Chiltern & South Bucks including storyboards for reception and cleaning staff.  | CS Officer and TVP<br>NH Officer Steve<br>Box                                       | Test purchasing took place in April 2018 with a post briefing to all establishments a few days later. Partnership plan to be worked on.  | May 2018 |  |

# **Tackling Violence in the Community and domestic abuse**

| Target     | Reduce violence against a person offences when compared to 2017-18.  |
|------------|--|
| Definition | Violence against a person is any offence where harm could be caused to an individual, whether this is mental or physical harm. Community violence can be defined as exposure to intentional acts of interpersonal violence committed in public areas by individuals who are not intimately related to the victim. Common types of community violence that affect youth include individual and group conflicts such as bullying or harassment including online. |
|            | Reduced repeat incidents of domestic abuse   |
| Outcomes   | Better understanding of community violence – e.g. locations/ days & times of the week etc  |

Community Safety Partnership Plan Year 2 2017-2020 v11 YEAR 2

# What is the problem in the Chiltern and South Bucks area?

When comparing the time period 2016-2017 to 2017-18:

# **Chiltern:**

• The number of violence against a person (VAP) offences recorded by Thames Valley Police increased to 968 offences compared to 790 the previous year.

# **South Bucks:**

• The number of violence against a person (VAP) offences recorded by TVP increased to 914 offences compared to 736 the previous year.

For both Districts, the figure for recorded VAP offences is expected to increase again this year with an improvement in the way in which crime is being recorded. It is interesting to note that the demand for service does not increase in line with the increase in reports. Community Safety Partnership Plan Year 2 2017-2020 v11 YEAR 2

# Reduce fear of crime through effective communication

| Target     | To continue to improve communication with the public through a variety of methods including newsletters and Twitter.  |
|------------|---|
| Definition | Fear of crime refers to the fear of being a victim of crime as opposed to the actual probability of being a victim of crime.  |
| Examples   | Falling crime rates but increase in fear, disparities in fear of crime among different communities, fear of crime from media stories, problems with London news stations broadcasting in Chiltern & South Bucks highlighting gangs and murders. |
| Outcomes   | Reduce the fear of crime amongst all Chiltern and South Bucks residents.  Increase positive communications with residents and increase the audience for our messages.  Communicate the realities of crime to members of the public.             |

# What is the problem in the Chiltern/South Bucks area?

• Residents in Chiltern and South Bucks have relatively high fear of crime for the amount of crime that actually takes place – in a survey carried out in 2016 it was highlighted that night-time economy (alcohol related violence in town centres) was a concern.

| ACTION  | LEAD                                 | UPDATE | LAST<br>UPDATED | RAG<br>STATUS |

# Glossary

**Serious Acquisitive Crime (SAC)** – Crime where items are stolen including domestic burglary, theft of and from vehicles and robbery.

**Anti-Social Behaviour Action Group (ASBAG)** – a multi-agency group which meets weekly and looks at ASB data and picks up on any common cases with a view to assigning a lead agency (if appropriate) increasing efficiency and partnership working.

**Criminal Damage** – When a person 'who without lawful excuse destroys or damages any property belonging to another, intending to destroy or damage any such property or being reckless as to whether any such property would be destroyed or damaged. It includes damage to property e.g. broken windows and car mirrors.

**Domestic Violence and Abuse (DVA)** – Any incident of threatening behaviour, violence or abuse (psychological, physical, sexual, financial or emotional) between people who are aged 16 or over, who are or have been intimate partners or family members, regardless of gender or sexuality)

**Strategic Assessment** – A document produced analysing the level and patterns of crime, changes in the levels and patterns of crime and why these changes have occurred.

**Thames Valley Alert** – A system to enable police to keep residents informed of crime trends in local neighbourhoods.
