Neighbourhood Priorities

The priorities for your Neighbourhood Policing Team (NHPT) will be decided by the Policing Issues Panel; comprised of representatives from Community Boards from the whole of Chiltern & South Bucks. The Police do not run the panel, although we do attend as representatives. This allows us to speak to a wide cross-section of the community, find out what you most want improved in the area and consider how we and others can accomplish these aims. The top three priorities are chosen by the forum every three months and are then assumed by your Neighbourhood Policing Team.

Priority – Speeding

The NH Teams have been out and about across the area carrying out speeding operations. In November & December we carried out checks on Dropmore Road, Burnham where 43 vehicles passed the check site but only one ticket was issued for speeding. Checks were also carried out on the A355 Beaconsfield Road where 151 vehicle's passed the check site but only two were stopped for speeding.

Our Roads Policing unit have been deploying our mobile speed camera vans during December, they have been out on 17 occasions to various sites around South Bucks in which time they identified 924 speeding vehicles.

In addition we now have two very active Community Speed Watch teams. This is a great opportunity for residents who wish to volunteer their time to monitor speeding in areas highlighted for concern by fellow residents. If you are interested in helping out then please contact the team or your local Parish Council.

Priority – Burglary

This quarter we have seen a reduction of 64% in Burglary from 22 to 8. However we would like to remind residents to remain vigilant and

Priority – Anti-Social Behaviour

We are seeing more and more E-Scooters being ridden around the area and to date we have issued three section 59 warnings. Please remember these can only be ridden on private land with the owner's permission. In January this year a male was issued a S59 warning for riding an E-scooter around the Eastfield Road area.

In February two males were issued S59 warning after being seen by police riding motorcycles in an antisocial manner and doing wheelies around the Bishop Centre car park, they were also issued tickets for breach of COVID 19

Other News

After a call from a member of public the NH Team attended a property in Taplow where youths from Manchester and London had attended for a house party, approximately 18 fines were issued for breach of COVID 19

We are currently preparing for the warmer weather to arrive with us hopefully in a couple of months. With unprecedented times last year and an increase in visitors to the area over the years, we saw a few pockets of disruption through anti-social behaviour and parking in the Dorney and Taplow areas, particularly around areas of water. We really would like everyone to have a safe Summer this year, therefore we will continue to work with the local businesses/organisations, the Parish Councils and Transport for Bucks.

COVID Compliance

Over many months, our Neighbourhood teams have worked closely with colleagues in Buckinghamshire Council. You may have seen us out and about in various locations with the Environmental Health officers from the Council; challenging apparent non-compliance with COVID restrictions. Most locations across our neighbourhood have been supportive of the Government's guidelines, and those where the public have voiced concerns have greatly improved safe business practice, with the right advice.

Recently we have visited Tesco, Sainsbury's and Taplow Railway Station amongst other small or independent shops, restaurants and Public Houses to reinforce Government guidelines.

Offenders Brought to Justice

One male has been arrested and charged for shoplifting @ Sainsbury's, Taplow

A female was charged for public order offences in Farnham Common.

A male was given a caution for shoplifting at Tesco, Taplow

Two males were arrested and given cautions after a public order incident in Burnham

A male and female have both received cautions in relation to an assault in Burnham

Have Your Say Events

During the Pandemic we have had to move away from 'HAVE YOUR SAY' Events as normally they encourage people to gather which we are looking to avoid. We understand some people still want to see us face to face, therefore we have been looking at ways we can still give people the opportunity to speak with officers, pass concerns, information or a smile and a wave to your children. To overcome gatherings we have identified areas for us to be present, visible and whilst completing our never-ending paperwork. We want the areas to be key points in each community where people are able to see us safely, varying times throughout the month and locations. Due to various reasons, on demand, operationally commitments and to prevent large gatherings we will not be publishing times and dates. However we wish to make the community aware of these locations and if you see a Police vehicle or officer at these locations, we are there for you to speak to us, please come and say hello and help us identify any concerns you have or any information, you may feel will assist us.
