

Iver/Stoke Poges/George Green

Neighbourhood Team

Your neighbourhood team consists of
Sergeant 5731 Dan RYDER
PCSO 6801 Roy FISHER
PCSO 9853 Eloise WARING

Neighbourhood Priorities

The priorities for your Neighbourhood Policing Team (NHPT) will be decided by the Policing Issues Panel; comprised of representatives from Community Boards in relevant areas. The Police do not run the panel, although we do attend as representatives. This allows us to speak to a wide cross-section of the community, find out what matters most to them and consider how we and others can make improvements. The top three priorities are chosen by the forum every four months, which are then adopted by your Neighbourhood Policing Team. If you wish to learn more please use the following hyperlink: [Chiltern & South Bucks Policing Issues Forum – Community and Neighbourhood Police stronger together \(csb-forum.org\)](https://www.csb-forum.org)

Priority – Burglary

We have seen a further reduction in burglaries from 12 to 7 so far this year, which is a slight decrease from the previous quarter.

To continue to combat this, we have been carrying out proactive operations which specifically floods rural and cross-border areas of the LPA during peak offending times. This has helped us to detect crime and apprehend cross-border criminality, who use arterial routes to enter our policing area, and to protect residents living within South Buckinghamshire as a whole.

Please remember these tips to reduce the risk of becoming a victim of burglary especially as the nights are now drawing in

- Cut back your shrubs and hedges to aid visibility
- Set timer switches to turn your lights on when away
- Avoid leaving valuables in plain view e.g. laptops and tablets
- Set any house alarms
- Lock side gates to prevent access to the rear of your property
- Keep any tools and ladders stored safely away in a locked garage
- Don't advertise that you are away and that your home is empty, by 'checking in' or posting your holiday snaps on social media

- Resist uploading any holiday pictures to social media until you have returned home
- Don't leave windows open at the front of your property when you are in the garden

Take a look at Thames Valley Police Website for further crime prevention advice or contact your local Neighbourhood Team.

Priority – Anti-Social Behaviour

We have not seen an appreciable level of anti-social behaviour this quarter and we believe that the highly visibility process which we have adopted, since last year, is proving to be effective

Recently, our attention has been directed towards the recreation grounds in Iver, Iver Heath and Stoke Poges, as these areas seem to be attracting undesirable elements. You can help us by reporting issues to us on web forms, or via 101.

Priority – Speeding

This quarter, our Roads Policing colleagues invested a total of 17 hours in speed enforcement, during June, This identified 340 offences across South Bucks and the fixed cameras have identified 55 offenders. During July, they spent 22 hours conducting speed enforcement; identifying 250 offences: and the fixed cameras caught 250 offenders.

Neighbourhood officers amplified this work by conducting speed enforcement, at the following sites:

- Langley Park Road, where two vehicles were identified driving at a speed of 42 MPH and were reported.
- North Park, Iver, where one vehicle was issued a warning
- Church Road, Iver, where one vehicle was stopped for exceeding the limit and reported.

Other News

Sadly this quarter we said goodbye to PC Dan McBroom, who has now gone to work for the Metropolitan Police. We would like to wish Dan all the best as he progresses his career. We are soon to be joined by PC Dan Brown who is joining Neighbourhood from a local Response team.

During this quarter, the team have been carrying out park sweeps with the Community Safety team and conducting talks at schools to raise awareness around Knife Crime.

During June the NH teams have been working closely with the Immigration Service; visiting various car washes around the area, and promoting the Responsible Car Wash

Scheme, which seeks to “level the playing field” for responsible operators; enabling them to compete on an equal footing with their less ethical competitors

- To educate operators on the regulations that apply and to ensure that they comply with them
- To be a positive force in improving conditions for workers; upholding their statutory rights and protecting them from exploitative work practices
- To protect the environment and the consumer

This activity has resulted in several locations being identified as employing illegal workers and further work is to be carried out by Immigration officers. If you have any concerns there is a safer car wash app which you can download to your smartphone, where you can complete a short survey with your concerns

Following reports of a suspicious male loitering around a local school, the Neighbourhood team conducted patrols which led to the locating and identification of the male. Local officers completed extensive subsequent activity, and made arrangements which will materially mitigate the presented risks to this situation. We are unable to share specific details, in the interests of confidentiality.

Offenders Brought to Justice

A male has been cautioned for assault with injury

Two males have received a community resolution for public order offences

A male has received a caution for criminal damage

A male has received a community resolution for possession of an offensive weapon

Two males have received a community resolution for criminal damage offences

One male has been arrested and charged for assault on police

Have Your Say Events

We have now started our Have Your Say events again, so please keep an eye on our social media accounts, where we will advertise upcoming meeting places.

In addition, your Neighbourhood team will aim to provide greater consistency to where these events take place; standardising them as habitual locations where one might find local police. This will allow for more impromptu meetings, and allow for less formal catch-ups.
