Neighbourhood Priorities

The priorities for your Neighbourhood Policing Team (NHPT) will be decided by the Policing Issues Panel; comprised of representatives from Community Boards from across South Buckinghamshire policing area. The Police do not run the panel, although we do attend as representatives. This allows us to speak to a wide cross-section of the community, find out what you most want improved in the area and consider how we and others can accomplish these aims. The top three priorities are chosen by the forum every three months and are then assumed by your Neighbourhood Policing Team. Priority – Serious Acquisitive Crimes

This quarter we have again seen an increase in burglaries from 9 to 10, the Neighbourhood team have increased patrols around Burkes Close, Hampden Hill, Park Lane, Broad Lane, Post Office Lane, Gregories Road, Grove Road and Holtspur Top Lane. In addition they have also been provided residents with crime reduction advice and carrying out proactive operations which spec rural and cross border areas of the LPA with proactive patrols during peak offending times. This has helped us to detect crime and apprehend cross border offenders who use arterial routes to enter our policing area and to protect residents living within South Buckinghamshire.

Please play your part in making this area unappealing for burglars. For an extensive discussion on what measures might best protect your home, you might like to watch the [Online Burglary Event](#) which our Neighbourhood Inspector hosted, at the end of last year. You could also take a look at Thames Valley Police Website for further crime prevention advice or contact your local Neighbourhood Team. At the time of writing, we are seeking to organise a crime prevention event alongside Buckinghamshire Council, to publicise opportunities to reduce your risk of burglary. Even a cursory internet search will provide numerous suggestions, at a modest cost.

Priority – Anti-Social Behaviour

We have seen a reduction of reports of ASB, drug use and graffiti around Beaconsfield, likely due to our increased high-visibility patrols. We are currently revising our ways of dealing with ASB, in conjunction with Buckinghamshire Council: particularly, their Community Safety Team is taking a more prominent role in ASB management, and coordinating partnership activity; by means of a dedicated team.

Priority – Speeding

During January our Roads Policing colleagues have spent 24 hours conducting speed enforcement at various locations: out of ten site visits they identified 726 offences across South Buckinghamshire LPA. Our fixed-site cameras have identified 494 offenders.

Due to poor weather conditions during December and January the Neighbourhood team have been unable to carry out any speed enforcement this quarter. To supplement this work, however, during February the team have carried out enforcement on the Amersham Road, Gregories Road and other surrounding locations. This resulted in one person being reported and three further drivers being given advice. It remains a community priority, and we continue to look for opportunities to enhance the enforcement work, already conducted by our dedicated units.

In addition, we have our Community Speed Watch scheme: this is a great opportunity for locals who feel strongly about Speeding, to volunteer their time in monitoring speeds, in areas highlighted as a concern by fellow residents. This is an advisory scheme, which looks to warn speeders as to the risks they present, and is clearly effective, with a 95% rate in preventing re-offending.
